

MERRY TIME

CHRIS CRAFT CADET

Merry Time is a 1929 Chris Craft Cadet made of gorgeous mahogany. One of just over 1,000 Chris Craft Cadets built since 1927, the boat, hull number 1886, is capable of travelling as fast as 35 mph. By 1927, Chris Craft was recognized as the world's largest builder of mahogany powerboats with fast engines. Today, Merry Time is part of the Michigan Maritime Museum's fleet and goes out on Lake Michigan almost daily.
