

# BOAT AND WATER SAFETY

Do you know how to have a fun and safe time on the water? Carefully read through the true and false questions on the back and see if you are ready for a safe-tastic summer!

## APRIL LEARNING CHALLENGE

# TRUE OR FALSE?

Buoys are used to mark where the swimming area ends and boating area begins.

T | F

Boats can be operated by anyone. You don't need to have a boating license.

T | F

Rip and structural currents are not dangerous and are fun to swim in.

T | F

It's safe to swim alone.

T | F

Double red flags mean that water conditions are too dangerous for swimmers, and you are not allowed to enter the water.

T | F

If caught in a current, it's best not to panic and get on your back and float.

T | F

Parents and adults should keep a close eye on kids when swimming.

T | F

Anyone under the age of thirteen must always wear a US Coast Guard approved life vest when on a boat, even if they are a strong swimmer.
